Boston GuitarFest 2008

WEST MEETS EAST "OCCIDENTE Y ORIENTE"

Seminars | Concerts | Master Classes | Performance Competition

Dear Friend of GuitarFest,

Boston GuitarFest is the dream of visionary guitar virtuoso Eliot Fisk. While the main focus is always on the classical guitar, the festival also aims to set the instrument within a broader musical, cultural and social context. Every year, GuitarFest gives audiences and students the opportunity to hear world-class performers and teachers.

Your tax-deductible contribution to Boston GuitarFest will enable us to expand future festivals, provide scholarships and prize awards. If you share Eliot Fisk's vision, please contribute to Boston GuitarFest. Let's bring the music of the classical guitar to a wider audience!

Thank You For Your Support!
